" A strong recollection is of a folklore song I heard at my first reunion dinner attended with my late father, also an old boy. It became more real for the fact that the two gentlemen mentioned in the song were present. And it's stuck with me.....  
'O Shenandoah (Osho & Andu) I long to hear you, away you rolling river..., Away I'm bound to go, 'cross the wide Missouri.'

Remi (Foley) was a very gentle boy before GCI. Maro (Grier) toughened him up as expected, but he still came out a gentleman. He was talented, driven and focused (self taught to play the guitar,

among other skills). He had such superb memory, and would recount GCI events with clarity and details, so many years after we left school. He was a very dependable friend to all who were close to him

### SCHOOL SONG

1. School of our pride built on the rock  
By order justice and fair play ruled  
May what we dare to learn from thee in youth  
Be our guide light throughout our lives  
School of our pride we build on thee
2. Service to others not to self  
Consideration for our nation first  
By our examples and not by precept  
Show honest labors dignity  
School of our pride we build on thee.
3. Generations shall come and go  
But our pride you will for aye remain  
Maybe not in the confines of your walls  
But in alumni world-renowned  
School of our pride we build on thee.

### POWELL HOUSE SONG

1. From East and from West came we, To lodge in thee royal host  
Came to out life into thee, To make thee great is a must  
What a house it shines like diamond,  
Though placed in the midst of rough stones  
We in you shall not be drones, We shall make you polished brass
2. On the field or in the school, Towards evening or at morn  
We shall employ every toll, That school glories may be worn  
Powell house, full of young blood, In the building, in the boys  
It shall not be just our noise, But our trophy-tray must flood
3. See the purple color arise, Mustard seed mixed with the swan  
Born a leader Powell is, From him older brothers learn  
Neatness, sports and discipline, Beautiful environment  
From these our way'll not be bent, And our glory never less.

### CARR HOUSE SONG

1. Where is the source of our great joy? Everyday we bound in joy  
A unique fruit of our ambition, Is its striking initiation  
Comes from this lovely home of grace  
Carr house historical place, all Eagles let us now rejoice  
And exalt Carr with our voice
2. Of all Eagles none can deny, What pleasures he has thereby  
To cheer up our hopeful course, Are provided games and sports  
Thus boredom's removed from our way, never sad but always gay  
We heartily thank Vigilia, My he help us forever.
3. We all very proud of thee, Something must we do for thee  
Youngest yet envied by others, Present boys, let's lead others  
Our old boys will take charge willingly, Of greater affairs bravely  
Thus fulfilling their promises, Helping Carr house in all fields.
4. Great men will from Carr house emerge, Christ from Nazareth did emerge  
Glorious things for thee we will do, We honor that great crest too  
Eagle, king to birds of all type, Indicates our place in life  
Great was our Patron Henry Carr, Great may we be on earth here.

### FIELD HOUSE SONG

1. Foremost stands the sun in heaven, Foremost Field-house in this school  
Field house is inspiration, past achievements show this well  
Inspiration stirs ambition, Leads us to better yet  
Sixteen only when we started, Now unrivaled among the rest
2. Those who left us showed the spirit, standing well the test of life  
Brave in sorrow staunch in service, Field house lesson held in mind  
In the face of strife and hardship, Holding on without despair  
Their achievements are our glory, Their example is our guide.
3. Field house present the calls now yours, Keep the noble flame alight  
The name by which the flame was lit, Shall ne'r die, H. Field for aye  
Don't forget what baba Job taught us, Valiant toils bring glorious name  
Keep our glory and our spirit, Evergreen, ever bright.

### **GRIER HOUSE SONG**

1. O Grier house, let us for thy dear honor yearn  
Let us from experience past this lesson learn  
That discipline leads but to our one true goal  
Devotion true must be our unfailing foe
2. We dare to learn both from victory and defeat  
If once our best is done then we all can meet  
To sing long in praise of thy untarnished fame  
That both past and present cherish just the same
3. United in spirit we uphold thy grace  
Of unbroken justice taught in every race  
Grier sons thy true greatness must strive sure to shield  
We dare to learn always and we'll never yield

### **SWANSTON HOUSE SONG**

Oh Swanston house  
The call, the call has come to you  
To do your best to help this world along  
To be like him who trod this earth before you  
And died without a consciousness of wrong  
But do not wait for idleness to injure you  
Get up and work now that you've work to do  
And when you win, be not proud nor conceited  
But rest content with work well done  
Oh Swanston house.
